

# NAYA JEWELRY

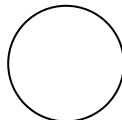

Pour calculer la taille d'une de vos bagues, vous pouvez mesurer le **diamètre intérieur** de la bague et vous reporter aux correspondances suivantes :

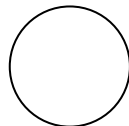

47

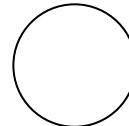

48

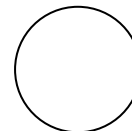

49

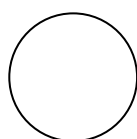

50

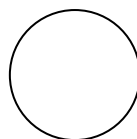

51

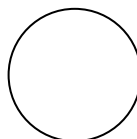

52

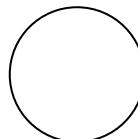

53

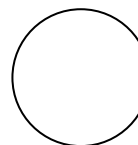

54

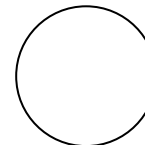

55

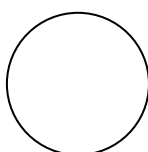

56

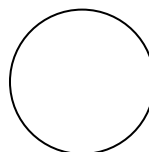

57

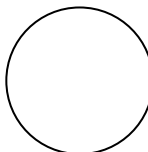

58

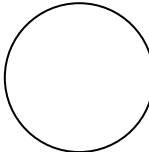

59

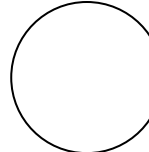

60

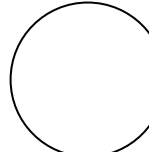

61

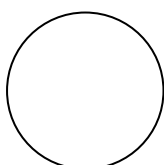

62

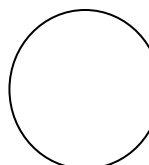

63

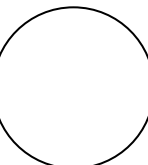

64

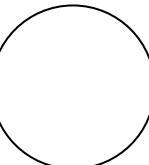

65

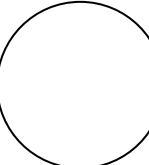

66

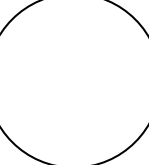

67

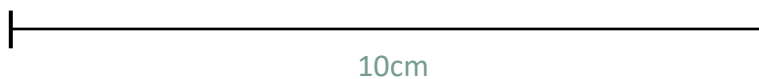

68

69

70

Vérifiez que le trait mesure bien 10 cm  
À imprimer au format 100% sinon les tailles seront incorrectes.
